Dear Mr. Syed:

**Re: Professional Conduct Complaint against Ahmed R. Syed, P.Eng.
Our File No.: T16-038 and T16-080**

We acknowledge receipt of and thank you for your email of June 29, 2018, wherein you notified Engineers and Geoscientists BC (the "Association") that you passed the Professional Practice Examination. We confirmed that you passed the Professional Practice Examination, written on June 12, 2018.

As per the February 4, 2018 Decision and Order of the Discipline Committee on Penalty and Costs (the "Decision on Penalty and Costs"), you were required, by May 31, 2018, to pay a fine to the Association in the amount of \$5,000, complete and pass the Professional Practice Examination of the Association, complete the Professional Engineering and Geoscience Practice in BC Online Seminar, and pay costs to the Association in the amount of \$7,500.

The May 24, 2018 Decision of the Discipline Committee on Application (the "Decision on Application") provided you an extension to **August 31, 2018** to pay the costs to the Association in the amount of \$7,500.

As you did not complete all applicable requirements by May 31, 2018, your membership with the Association was suspended until such time you complied with the requirements of the Decision on Penalty and Costs. This letter confirms that you have met all the requirements indicated in the Decision on Penalty and Costs except the payment of costs that has been extended to August 31, 2018. Your membership with the Association has been re-instated as of June 29, 2018.

If you have any questions concerning the contents of this letter or wish to discuss this matter, please do not hesitate to contact Jesse Romano, Investigation Manager. Thank you for the steps you have taken to comply with the conditions so far.

Yours truly,
