

Documents Required Using the Traditional Experience Reporting Format

(Not applicable to P.Eng. applicants after June 1, 2015)

1. *Certified Proof of Citizenship (Birth Certificate, Photo Page of Current Passport, or Permanent Resident Card that has been stamped/signed by either a P.Eng., P.Geo or Notary Public) (EITs are exempt if already submitted).
2. Official transcripts sent directly to the Engineers & Geoscientists BC office from your educational institutions (EITs are exempt if already submitted).
3. Completed [Work Experience Report](#) including discipline-specific requirements if applicable. It is a requirement that this document be submitted via the applicant dashboard as a PDF document and not exceed 10MB.
4. [Reference Forms](#) sent directly to Engineers and Geoscientists BC by P.Eng. supervisors/colleagues (Minimum of four required).
5. Thesis abstracts for Masters or Ph.D if applicable.

Note: In lieu of 3, 4, 5, and 6, US-Licensed Professional Engineers may submit an [NCEES Record](#)
