

To Whom It May Concern,

It is a requirement for registration with Engineers and Geoscientists British Columbia that transcripts (academic marks) and degree confirmations be received directly from an applicant's institution of graduation.

Engineers and Geoscientists BC regulates and governs the professions of engineering and geoscience in the province of British Columbia (BC), Canada, under the authority of the [Professional Governance Act](#).

We are a not-for-profit organization that is charged with protecting the public interest by setting and maintaining high academic, experience, and professional practice standards for all registrants. Individuals licensed by Engineers and Geoscientists BC are the only persons permitted by law to undertake and assume responsibility for engineering and geoscience projects in BC.

Please send a sealed copy of the required documents directly to Engineers and Geoscientists BC at the address below.
