**Engineers and Geoscientists BC - Vancouver Island Branch
29th Annual Golf Tournament – June 7th, 2019**

Re: Hole Sponsorship

I would like to start by saying Thank You to all of you who have been kind enough to be a hole sponsor for our Annual Golf Tournament in past years.

Last year's sponsorships helped raise a donation of over **\$4,200** to KidSport Cowichan possible!

Once again, we are asking for your sponsorship and participation for this year's tournament, which will take place at the Cowichan Golf and Country Club on **Friday, June 7th, 2019**. For any new companies receiving this request, we hope you will join us by sponsoring a hole and being part of this great tournament. In past years, our sponsors have included suppliers, contractors and consultants. Sponsors are recognized with signs at tee boxes as well as on sponsor lists.

If you are able to sponsor a hole (**\$150.00 + GST**), you will be able to do it online or by cheque. Please make cheques payable to "**Engineers and Geoscientists BC – Vancouver Island Branch**" and forward to the addresses below.

The tournament will be a Texas Scramble Format so those of you who are not of professional calibre need not worry – you will fit in! We are there to socialize, have fun and enjoy the day.

Each sponsor is encouraged to enter a foursome (or fewer if you like) and the tournament is open to all members, spouses, sponsors and member guests. Any profit made from this event will go towards **KidSport Nanaimo**. KidSport is a great community-based charity that helps local families ensure that their children can participate in organized sports without financial hardships.

Please feel free to contact the undersigned if you have any questions regarding hole sponsorship or the tournament in general.

Sincerely,

Patrick Ryan, P.Eng.
