Non-Practising Status Declaration

Please read and sign the declaration, and return with your payment, or choose the non-practising option when renewing your membership online.

I confirm my non-practising status with Engineers and Geoscientists British Columbia (the association). While my status is non-practising, I commit as follows:

- 1. I understand and agree that:
 - Non-practising status does not convey any practice rights. Non-practising members and non-practising limited licensees have no greater right to engage in the practice of professional engineering or geoscience than any other member of the general public who is not a member of the association.
- 2. I will not practise any professional engineering or geoscience in British Columbia, including unpaid or volunteer work, until I am released from this commitment by Council in writing.
- 3. I have read and understand the association's Guideline & FAQ Regarding Non-Practising or Retired Status (egbc.ca/Non-Practising-Guide-FAQ).
- 4. If I practise any professional engineering or professional geoscience in British Columbia, including unpaid or volunteer work, I understand and agree that pursuant to section 22 of the *Engineers and Geoscientists Act, R.S.B.C. 1996, Chapter 116* (the "Act") the association is entitled to apply to the Supreme Court of British Columbia for both injunctive relief and exemplary damages of up to \$25,000, including for a single occurrence of conduct prohibited by section 22.
- 5. I will not represent myself as a professional engineer, professional geoscientist, engineering licensee or geoscience licensee or use the abbreviations P.Eng., P.Geo., Eng.L. or Geo.L. As a member with non-practising status I may only represent myself by use of the following titles, with the limiting words "Non-Practising" or "Retired" spelled out in full, as set out below:

For Engineers:

- a) Professional Engineer (Non-Practising)
- b) P.Eng. (Non-Practising)
- c) Professional Engineer (Retired)
- d) P.Eng. (Retired)

For Geoscientists:

- e) Professional Geoscientist (Non- Practising)
- f) P.Geo. (Non-Practising)
- g) Professional Geoscientist (Retired)
- h) P.Geo. (Retired)

For Limited Licensees (as applicable):

- i) Limited Licensee (Non-Practising)
- j) Eng.L. (Non-Practising)
- k) Geo.L. (Non-Practising)
- I) Limited Licensee (Retired)
- m) Eng.L. (Retired)
- n) Geo.L. (Retired)
- 6. I understand and agree that my registration status will be posted online on the association's public register as non-practising.
- 7. I will immediately notify the association in writing if I intend, at any time, to resume the practice of any professional engineering or professional geoscience in British Columbia. I will make an application to resume practice rights, fulfill the requirements, and pay the applicable fees as set by Council prior to returning to practice.
