

**ENGINEERS &
GEOSCIENTISTS**
BRITISH COLUMBIA

**LIST OF "PROFESSIONALS"
FOR THE PURPOSE OF THE
SEWERAGE SYSTEM REGULATION**

As of January 30, 2018

The list has been compiled on the basis of a self declaration by individual members that they are qualified by training or experience in accordance with Principle 2 of the Engineers and Geoscientists BC Code of Ethics. The list may not include all professionals registered or licensed by Engineers and Geoscientists BC undertaking these services. Engineers and Geoscientists BC assumes no responsibilities for the services provided by the individual members or organizations whose names are listed in the List of "Professionals" for the Purpose of the Sewerage System Regulation.
