## APPENDIX 2: Consultation List

Engineers and Geoscientists BC would like to extend our heartfelt gratitude and sincere appreciation to everyone who supported us in the development of our Truth and Reconciliation Strategy. Thank you for taking the time to connect with us and share your knowledge. Your perspective has been instrumental in shaping our strategy and ensuring that our actions are both meaningful and effective.

This work was guided and supported by Indigenous consultants, Porttris Consulting Group Ltd. with knowledge, care, and cultural integrity.
