Discrete Scope Projects (DSP) Database Declaration Form

Please save a copy of your completed form and email it to dsp@egbc.ca

Last Name _____ First Name _____ Designation _____
Preferred Name _____ Organization (if applicable) _____
Address _____ City _____ Province _____ Postal Code _____
Office Phone _____ Mobile Phone _____ Email _____
Website _____ Member ID _____ Region _____

Practice Areas of Interest (Please select at least one option):

Building Enclosure	Building Science	Civil	Dams and Flooding
Electrical	Fire Protection	Geotechnical	Mechanical
Structural	Environmental	Small Water Projects	
Other (please specify): _____			

Preferred region(s) of services (Please select at least one option):

All of British Columbia	Burnaby/New West	Central Interior	East Kootenay
Fraser Valley	Northern	Okanagan	Peace River
Richmond/Delta	Sea to Sky	South Central	Tri-City
Vancouver	Vancouver Island	Victoria	West Kootenay

Remarks (if applicable, provide more information on the proposed scope of services, locations, travel restrictions, schedules, etc.):

Declaration Statement:

I confirm that, in accordance with Section 2 of the Engineers and Geoscientists BC Code of Ethics, I am qualified by training or experience to provide engineering or geoscience services in the practice area(s) of interest I have indicated above and I am fully familiar with the applicable codes, legislation, industry standards and e Guidelines pertaining to those practice area(s) of interest.

I authorize Engineers and Geoscientists BC to use the information I provide above in the Engineers and Geoscientists BC Discrete Scope Projects [DSP] Database and to release that information to potential users of my services.

I understand that:

- my participation in the DSP Database is voluntary;
- I can withdraw my participation in the DSP Database at any time by notifying Engineers and Geoscientists BC at dsp@egbc.ca;
- Engineers and Geoscientists BC may incorporate the information I provide above in other records held by Engineers and Geoscientists BC, including the conversion of the DSP Database to an online searchable database;
- it is expected that I will make resolute efforts to answer the requests I receive through the use of the DSP Database and provide services within my declared practice area(s) of interest;
- Engineers and Geoscientists BC may at any time, and upon notifying me, remove my name from the DSP Database; and
- Engineers and Geoscientists BC may at any time restrict or discontinue the use of the DSP Database.

Signature _____ Date _____
