Environmental Geoscience Course Equivalent Listing

(Updated May 2017)

NOTE: This course listing is a reflection of APEGBC's adoption of the Geoscientists Canada "Geoscience Knowledge Requirements". Since January 2011, geoscience applicants have the option of attempting to meet the academic requirements either by applying under this 2011 syllabus or the previous 2006 syllabus. The courses in this document have been identified in consultation with Vancouver Island University. Please be aware that course codes can be subject to change at any time.
