The authority having jurisdiction
University Endowment Lands

To: S495 Chancellor Boulevard
Vancouver BC V6T 1E2
www.universityendowmentlands.gov.bc.ca

Project Address: ___________________________________________ Building Permit No. ________________________

Date: __________________________

In signing and submitting this document to the authority having jurisdiction the owner confirms that the owner has authorized the “Certified Professional (CP)”, to undertake “code coordination” and the undersigned “CP” confirms that the “CP” will undertake “code coordination” with respect to the above noted project for which a building permit is sought.

“Code coordination” includes the following tasks:

1. act on behalf of the owner as the owner’s representative in matters involving the University Endowment Lands (UEL) in relation to the building permit, related project construction and related occupancy;
2. ascertain that the required registered professionals of record (RPR) for the project have been retained to provide design and field review in accordance with the “Building Code”;
3. obtain the necessary letters of Assurance of Professional Design and Commitment for Field Review from the registered professionals of record for the project and deliver the originals of same to the authority having jurisdiction when applying for the building permit for the project;
4. obtain the other necessary documents required to support the building permit application and deliver same to the authority having jurisdiction when applying for the building permit for the project;
5. apply for and obtain a building permit for the project in accordance with the process as described in the UEL Land Use, Building and Community Administration Bylaw;
6. provide “design review” of the plans and supporting documents prepared by each of the registered professional of record for the project;
7. ascertain that the registered professionals of record have incorporated in their plans and supporting documents, the requirements of the “Building Code” Division A; Division B Parts 1 and 3; and Division C;
8. ascertain that the Division A; Division B, Parts 1 and 3; and Division C “Building Code” requirements governing the project are compatible between the plans and supporting documents prepared by each registered professional of record;
9. provide “site review” of the components of the plans and supporting documents prepared by each of the registered professionals of record for the project;
10. keep records of all “site reviews” by the “CP” and of any corrective action required and taken as a result of these “site reviews”. Discrepancies noted during “site reviews” must be tracked and the resolution of these discrepancies noted such that a list of significant known unresolved discrepancies can be provided at the request of the authority having jurisdiction;
11. “monitor field review activities” of the registered professionals of record;
12. monitor and report on significant events and changes in the project;
13. submit a monthly summary progress report to the authority having jurisdiction during construction of the project;
14. consult with the authority having jurisdiction if any unresolved variances in interpretation of the “Building Code” arise between the “CP” and the registered professionals of record;
15. consult with the authority having jurisdiction if any unresolved issues with respect to the “Building Code” arise between the “CP” and the contractor.
Schedule CP-1 Continued

Project Address: __________________________________________ Building Permit No. ____________________________

“Code coordination” (cont’d):

16. review relevant shop drawings with respect to the requirements of Division A, Division B, Parts 1 and 3 and Division C of the “Building Code”;
17. notify the authority having jurisdiction in a timely manner of any significant known, unresolved contraventions of the “Building Code” or building permit requirements;
18. obtain the necessary letters of Assurance of Professional Field Review and Compliance from the registered professionals of record or the project and deliver the originals of same to the authority having jurisdiction when applying for occupancy for the project;
19. obtain the other necessary documents required to support the occupancy application and deliver same to the The authority having jurisdiction when applying for occupancy for the project;
20. apply for the occupancy approval for the project in accordance with the process as described in the “Building Code” and UEL Land Use, Building and Community Administration Bylaw; and
21. apply the “CP” stamp to all relevant documents that are submitted to the authority having jurisdiction. Affixing his or her “CP” stamp to a document confirms that the “CP” has provided the relevant portion of “code coordination” applicable to that document.

“Design review” means the activities necessary to ascertain that the design of the project will substantially comply, in all material respects, with the requirements of Division A; Division B, Parts 1 and 3; and Division C of the “Building Code”.

“Monitoring field review activities” means ascertaining that the registered professionals of record are providing field reviews as required by Div C, Part 2 of the “Building Code”, and includes keeping records of the field review reports prepared by the registered professionals of record. The owner will instruct each registered professional of record to highlight in the RPR’s field review reports any significant variation from the documents accepted in support of the building permit and any corrective action as needed. The “CP” will review the variations highlighted in the field review reports and notify the authority having jurisdiction, in a timely manner, of significant known unresolved contraventions from the documents accepted in support of the building permit.

“Site review” means the activities necessary in the “CP’s” professional judgment to ascertain that the construction of the project substantially complies, in all material respects, with the requirements of Division A; Division B, Parts 1 and 3; and Division C of the “Building Code” and the requirements of the building permit and monitors for compliance with the development permit issued for the project.

In addition to “code coordination” the undersigned owner and “CP” also acknowledge that:

1. If the project involves future tenant improvement works, and the base building occupancy is not achieved prior to commencement of the tenant improvement works, the involvement of a “CP” may be required; and,
2. The owner and the “CP” are each required to notify the authority having jurisdiction on or before the date the “CP” ceases to be retained by the owner. It is understood that work on the above project will cease as of the effective date of such termination, until such time as a new appointment is made, and a Stop Work Order shall be posted upon the said project by the authority having jurisdiction.
