

Below is the list of Engineers and Geoscientists BC/Architectural Institute of British Columbia members/licensees who have successfully completed the CP course and upgrade requirements as of December 2018. This list is provided for information only; professional membership status should be confirmed with the appropriate regulatory body (Engineers and Geoscientists BC or the Architectural Institute of British Columbia). Authorities having jurisdiction may also have their own list of active professionals working in their jurisdiction, which is a subset of this list.
