On the application of the Plaintiff, without a hearing and BY CONSENT;

THIS COURT ORDERS that:

1. The defendant, Richard Bartel, is permanently prohibited and enjoined from:
 - (a) engaging in the practice of professional engineering, including, but not limited to, engaging in any of the following activities:
 - (i) Providing advice or services based on or ancillary to any engineering discipline including engineering relating to buildings, mechanical systems, septic systems, wastewater systems, water systems, and treatment systems;
 - (ii) Affixing a stamp bearing the description "professional engineer", or that otherwise resembles an engineer's stamp, to any document;
 - (iii) Preparing, drafting, reviewing, revising, or otherwise altering or commenting on drawings, schedules, letters of certification, plans, reports, or other documents relating to engineering including the design, approval, installation, and construction of buildings, mechanical systems, septic systems, wastewater systems, water systems, and treatment systems; and

- (iv) Submitting to any public authority, or communicating with any public authority regarding, any drawings, schedules, plans, permits, or other documents relating to engineering including the design, approval, installation, and construction of buildings, mechanical systems, septic systems, wastewater systems, water systems, and treatment systems;
 - (b) acting in any manner that leads any person to believe that he is authorized to fill the office of, or act as, a professional engineer; and
 - (c) advertising or using, or permitting to be advertised or used, in any manner whatsoever, in connection with his name:
 - (i) the title of professional engineer or its abbreviation "P.Eng."; and
 - (ii) any other word, name, title, designation, description, abbreviation, or equivalent of a reserved title or other name or title in another language, in any manner that expresses or implies that Mr. Bartel is a professional, a registrant of The Association of Professional Engineers and Geoscientists of the Province of British Columbia, or is authorized to practice the profession of engineering in British Columbia.
2. This order shall for all purposes be of the same force and effect as if judgment had been pronounced after a trial of this action on its merits.
3. The parties will bear their own costs of this application.

THE FOLLOWING PARTIES APPROVE THE FORM OF THIS ORDER AND CONSENT TO EACH OF THE ORDERS NOTED ABOVE:
