GEOSCIENTISTS
BRITISH COLUMBIA

GRANT REQUEST FORM

CAREER AWARENESS

SECTION: LANDING PAGE

Engineers and Geoscientists BC supports hands-on learning experiences for students and their science teachers. We are committed to supporting organizations and groups that develop science, engineering and geoscience skills and interests.

Engineers and Geoscientists BC receives grants and sponsorship requests from various organizations and student groups around the province requesting sponsorship for their science-based activities. We evaluate each request for alignment with our organization's outreach goals and aim to support as many requests as possible within our limited budget.

NOTE: Once you begin editing your application you will not be able to make edits. The questions below have been provided so you can review them before starting your grant application.

OVERVIEW

1. What is the name of your organization?
2. Are you a Canadian organization based in British Columbia?
 - a. Yes / No
3. What parts of BC does your organization operate in?
4. What is this request for?
 - a. Monetary sponsorship
 - b. In-kind sponsorship
5. Do your activities primarily engage students or teachers in British Columbia in science- or math-based activities?
 - a. Yes / No
6. Are you requesting support from Engineers and Geoscientists BC for:
 - a. Ongoing Programming (Various activities/events over a sustained period)
 - b. Specific Activity/Project (One-time event or activity which may not continue over the long term)
 - c. Other.

7. When do you require confirmation of whether or not your organization has received funding?

Please note: the association's review process takes between 1-2 months.

ORGANIZATION PROFILE

1. How long has your organization been engaging students in science and/or math?
2. Please tell us about your organization's mission or purpose (2-3 sentences):
3. Please tell us how your organization engages students in science, engineering or math (2-3 sentences):
4. Please tell us how your organization may be reaching and/or impacting multiple communities in BC (2-3 sentences):
5. Does your organization primarily engage:
 - a. Elementary School Students
 - b. High School Students
 - c. Educators
 - d. Underserved groups in the science sector (e.g. girls, Indigenous students, students from a low income family)
 - e. Other.
6. Has Engineers and Geoscientists BC (formerly APEGBC) supported your organization before?
 - a. Yes, the association previously supported our group.
 - b. No, the association has not previously supported our group.
 - c. I don't know.

REQUEST PROFILE

1. How does your organization intend to use any support, financial or in-kind, from the association?
2. When will the support we provide (either in-kind or financial) be in active use?
3. Will our support assist your organization in engaging underserved groups in the science sector (e.g. girls, Indigenous students, students from a low income family)?
 - a. Yes / No
4. If you responded yes above, please describe in further detail which underserved groups will be engaged in science and/or math and how they will be engaged.
5. Please describe how our support will be recognized. If various levels of sponsorship are available please include all options below.

6. If you have a sponsorship package or other supporting documents that you would like included with your request, please add them here.
