APPLICANT ASSESSMENT

Academic Achievement – 30%

Submit transcripts of your post-secondary education. You may submit unofficial transcripts. Winners must provide official transcripts to the Talbot Award Selection Committee before receipt of the award.

Community Activities – 30%

In 900 words or less, provide a statement that describes, in detail, your involvement in school activities, sports, community service, significant employment, or other enriching experiences.

Student's Statement – 30%

A second statement gives your reasons of studying engineering. In 500 words or less, explain your views on how engineering impacts society. This is an important selection factor.

Reference Letters – 10%

Provide two reference letters to support your application. The letters must be sent to the Talbot Award Selection Committee **directly from the referees**. Referees should be:

- a professor or co-op coordinator who knows you and your achievements personally;
- a co-op employer or a member of Engineers and Geoscientists BC (Professional Engineer or Professional Geoscientist); or
- a prominent member of your community if the above are not possible.
