

ACADEMIC EXAM DEFERRALS FOR SPRING/SUMMER 2025: FOR ENGINEERS AND GEOSCIENTISTS BC APPLICANTS

Registration and bookings are a critical part in estimating candidate volumes, securing exam dates and ensuring adequate proctor resources to support our candidates on exam days.

- Candidates may defer their exam(s) **free of charge** by the specified date under “*Free Deferral Deadline*”. See table below.
- Candidates will not be able to make changes or defer their exam after the deferral date stated.
- If a candidate does not appear for their scheduled exam, the exam fee is forfeited.
 - It will be considered a failed exam attempt (e.g., zero score) if a candidate opens their online exam in AssessBank – even if they decide not to continue with the exam.
 - It will be considered a “no show” if a candidate is scheduled for the exam but does not start or attempt the exam.
