

REMOTE INTERVIEW REQUEST FORM

I have read and understand the remote interview policy and agree to, understand and acknowledge the requirements of the policy.

- I have paid the remote interview fee.
- All costs I personally accrue for the interview are my responsibility and I understand Engineers and Geoscientists BC will not reimburse me.
- All costs accrued by the Association associated with my interview will be invoiced to me, and that this itemized invoice will be paid before further steps towards the evaluation of my application are taken following my interview.
- I am competent in the use of the technology and platform the Association has chosen to administer my interview.
- If requested, It is my responsibility to arrange a remote location and I have chosen is a neutral space not in my home, large enough for two people with a door and internet connection. If I am not able to arrange for a suitable location, I agree to travel to a secondary location selected by the association.
- If requested, I will arrange for a suitable invigilator who is either a professional engineer, professional geoscientist, notary public or other professional prescribed by the association.
- I recognize that a remote interview may not have the continuity or provide the equivalent quality of an in person interview.
- In the event that a second interview is required, I understand that the option to choose a remote interview will not be available to me unless there are extenuating circumstances as outlined by the policy on *Remote Interviews by Videoconference*.
- If a second interview is required, I will attend the interview in person at the association office, all costs personally accrued will be my responsibility, and I understand Engineers and Geoscientists BC will not reimburse me for these costs.
- All supporting documents required for my interview will be sent electronically to the Association a minimum of two weeks prior to the interview date.

I, _____, solemnly affirm that I have read and understand the remote interview requirements and have completed this form to the best of my knowledge and ability.
